

Pitchboard:

Mr. Worldwide Eats

Mr. WorldWide Eats is a restaurant that focuses on the world's diversity through the experiential art of food.

Mr. WorldWide Eats works to bring diversity into a common space through food. It is a restaurant where various dishes from a wide assortment of cultures are served in one place. The space itself has its own sections dedicated to each culture, but it is all in one collective restaurant, thus allowing visitors to experience delicious meals from around the globe!

Mei: a woman who has a passion for food and who loves to try dishes from different places.

Davis: a teenager who wants to learn both about culinary arts and different cultures.

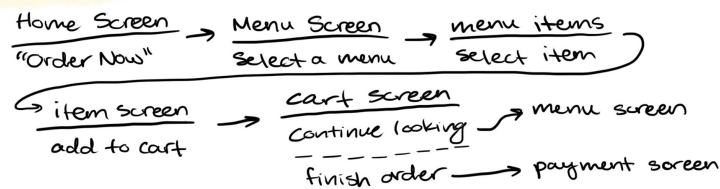

Logan: a person who loves to cook and wants to work in a restaurant that serves a variety of foods.
